PUBLIC NOTICE

Union Public Schools makes every effort to contact, evaluate and educate, in the least restrictive environment, each handicapped child under the provisions of Public Law 105-17 (Individuals with Disabilities Education Act) and State Department of Education guidelines. Parents/guardians may call 459-3325 for information.

Union Public Schools ensures that parent/guardians may inspect and review any educational records of their child maintained at the school. Such records are kept in limited access confidential files. Confidentiality procedures, including a list of persons with file access, are posted in each school building.

The Union Public School District Plan for Special Education has been filed with the State Department of Education, and copies are available for public inspection in the Education Service Center. Inquiries concerning special education programs may be directed to Dr. Bonnie Johnson, 459-3325.

Union PTA

Bowling League

The PTA bowling league meets Thursday mornings, 9:15 a.m., at Sheridan Lanes, 31st & Sheridan. Part of the money paid by each member of the League is donated to PTA activities designated by each member of the league. Funds from 2005-2006 were given to seven different PTA groups. In the past, money has been also designated for graduation celebration and the High School Band.

Anyone interested may join us for the upcoming season beginning August 24. Come join the fun, meet new friends and help your school! We look forward to seeing you in August. For more information please call Willa Stoltz, 459-5218.
Union Announces Administrative Changes for 2006-2007 School Year

A number of new faces and several familiar ones will greet parents and students this year from the administrative ranks.

Charlie Bushyhead, 6th/7th Grade principal for the past two years, was named executive director of secondary education. Bushyhead has been with Union since 1997.

Dr. Kathy Dodd was named executive director for elementary education. She and Bushyhead will assist Dr. Kim Hartzler, assistant superintendent for Teaching and Learning.

Assuming Dodd's former position as director of student assessment will be Todd Nelson, who has been the district's math curriculum specialist for the past few years.

Steve Pittman, former principal of the Union School District, is now principal of the 6th/7th Grade Center. Pittman had previously served as assistant principal at both the 7th/8th Grade Center and Union Intermediate High School.

The Superintendent: Working to Form A More Perfect Union

The beginning of school brings exciting new possibilities as all students are challenged to expand their friendships, explore new interests and develop ethical habits of character. Educators at Union hope to make this a great year for every student, we begin by welcoming all students who are new to our district. Union is a community that actively invests in public schools by personally volunteering, supporting the PTA and booster clubs and voting bond issues. We hope that all new families who have chosen Union for their children will join in this supportive culture.

Each of Union's seventeen schools strives to offer challenging classroom experiences that engage students in active learning opportunities every day. However, we know that parents and the attitudes toward education at home have a tremendous impact on student motivation, achievement and behavior. Young people take their leads from parents and we welcome as partners in our efforts to help students be as successful as possible.

To all of our Union students and families, welcome to a great school year.

Mechanic Mike Hall Named Union's Support Services Employee of the Year

Lead mechanic Mike Hall has been named the Union Public Schools Support Services Employee of the Year.

Hall, who has worked for Union since 1997, has a work ethic that will not accept anything less than the best for the students who depend on Union Public Schools for transportation, the Team Awards Committee t l e e explained. Each month, the committee honors a Support Services employee or employee of their dedication to the district.

"Mike Hall simply wants what is best for the department," said Assistant Superintendent for Support Services Jared Wondrich. Hall continually goes above and beyond when it concerns Union's transportation fleet, the committee said, and he has added numerous duties to his list of responsibilities for the sole purpose of helping someone else.

Hall and other mechanic come in early in the morning on the first day of school to ensure the buses are warmed up when the buses are in the cold, they said. Hall and his colleagues go out to the buses throughout the day to ensure the buses are in working order so they will be ready to go on Monday mornings.

"Mike does all of these things and more but never asks for recognition or credit," the committee members said.

ACE Camp Students Prepare for SAT, Possible National Merit Status

More than 50 Union students participated in the annual Academic Camp for Enrichment or ACE camp at Union Intermediate, devoting into topics like math and English as they prepare for the SAT test. The SAT test is the admittance test required by many private and out-of-state colleges and universities. The camp is an opportunity for secondary gifted students to learn about the SAT and preparing for college in such subjects as math and language arts.

The camp is held during one week in which students hit the books and get specialized advice from experienced teachers. The students who attend the camp are invited to attend based on their grade point average and Advanced Placement (AP) courses. The courses are overseen by camp coordinators Lea Ann Nolen and Miranda Smith, as well as Union Interience (IDA) All-Stars, according to Ann Calmus.

Union Opens Rosa Parks Elementary School

Union's 12th elementary, Rosa Parks Elementary, will open its doors to students for the first time when school begins August 16. The 900-seat facility is open house to finish construction as well as parking and street improvements around the school.

The school was named based on a committee recommendation to honor civil rights figure Rosa Parks who passed away last December. The committee included students from McAuliffe, Boren and Triangular schools because some students from each of those schools will attend Rosa Parks under a new reclassifying plan approved by the Board last spring.

Other members included Board member Beverly Laubach, a teacher, and a member from the supporting staff. Principal Karen Vance chaired the committee.

"It was obvious the committee wanted a name that represented a person of great character and one who made an impact on the lives of others in a positive way," Vance explained. "Rosa Parks Elementary School received by far the most votes. We also felt we didn't want to shorten the name to Parks Elementary. It would proudly be called Rosa Parks Elementary School."

Rosa Parks' moment in history began in December 1955 when she refused to give up her seat on a bus to a white man in Montgomery, Alabama. Her arrest triggered a 381-day boycott of the bus system by blacks that was organized by a 26-year-old Baptist minister, the Rev. Martin Luther King Jr.

Health Clinic Expands to Include Rosa Parks

The Bedlam Campus Community Health Services Program will expand this year to include the new Rosa Parks Elementary School.

The program, operated by the University of Oklahoma at Clark Elementary, serves students at several Union school sites and provides a convenient way for children and their families to receive a wide range of health care services in a manner and in a friendly, familiar setting. A physician's assistant and nurse provide the services and make referrals as necessary. Whether they have third-party insurance, Medicaid, all students at the school are eligible for this program.

For more information, go to http://tulsa.ou.edu/medicine/bedlam/index.htm or www. union.tulsa.k12.ok.us or contact your school principal.

District Now Has All-Day Kindergarten

Kindergarten students will report to school the same time other elementary students do, a situation made possible by state funding and the opening of Rosa Parks Elementary School which freed up classroom space to accommodate the additional students.

Pre-K students will report to school either for morning or afternoon classes. Morning classes are held from 8:35 a.m. to 11:25 a.m. Afternoon classes are held from 12:25 p.m. to 3:25 p.m.

Parents who have not enrolled their students in kindergarten or Pre-K classes are urged to do so as quickly as possible. For enrollment information, call 458-4686.

5th Graders 'Moving Up'

About 500 incoming fifth graders got a taste of their new home July 11 during an all-day orientation hosted by the 6th/7th Grade Center called "Moving Up." This day was designed to relieve some of the anxiety the students feel as they enter this building," Principal Steve Pittman said.

Up until this point, most of the students have become accustomed to one homeroom teacher and one classroom. But at the sixth grade they not only will have several classrooms and several teachers, they will see a sea of new faces as students from all elementary schools come together for the first time and mix with the 7th grade.

During the special orientation session, students learned about what to expect in their new school as a full staff engaged them with snacks, fun activities and exercises designed to acquaint them with their new school home.

Activities included a special kick-off in the gym, "Locker 101," the "Cafeteria Drill Squad," "Chaos Changing" and a building tour. Students got to meet the principals, counselors and even some of their teachers.

"We were excited about providing this opportunity to our incoming fifth graders," Pittman said.

80 Graduates New Record for Alternative School

Eighty graduates graduated from the Union Alternative School this past year, a new record for Oklahoma Alternative education programs and a record for Union Public Schools. There are more than 260 such programs in the state.

Union's previous record high was 72, which was also a record for the state. The large number of graduates speaks to the success of Union's alternative program.

The alternative school conducts a graduation ceremony at the end of each four-week block throughout the school year for everyone who has completed his or her requirements at the time.

During the ceremony, each student is recognized, not only for completing high school but also for what he or she brought to the school community.

PTA Council helps Teachers with Supplies

The Union PTA Council is continuing the on-line program called U-Choose to help purchase supplies for the classroom or school-related projects which are not covered by school funds.

The U-Choose program will allow interested citizens the opportunity to purchase supplies for Union teachers, staff members or a PTA organization based on a wish list compiled by schools and posted on the Union web site at: www.unionps.org/ptacouncil/index.htm

PTA members, working in conjunction with school officials, will verify needs and oversee the wish lists.

Members of the Union Schools Education Foundation prepare to tee off at the second annual USEF golf tournament June 15 at Battle Creek Golf Club. This year’s fund raiser netted $1,600. Dedicated golfers to the right are event chairman Georgia Steed, foundation secretary Sharon Forbes, Trustees Jane Bell and Donna Wooten.

PUBLIC NOTICE

Union Public Schools makes every effort to contact, evaluate, and educate, in the least restrictive environment, each handicapped child under the provisions of Public Law 105-17 (Individuals with Disabilities Education Act) and State Department of Education guidelines. Parents/guardians may call 459-3325 for information.

Union Public Schools ensures that parent/guardians may inspect and review any educational records of their child maintained at the school. Such records are kept in limited access confidential files. Confidentiality procedures, including a list of persons with file access, are posted in each school building.

The Union Public School District Plan for Special Education has been filed with the State Department of Education, and copies are available for public inspection in the Education Service Center. Inquiries concerning special education programs may be directed to Dr. Bonnie Johnson, 459-3325.

Union PTA Bowling League

The PTA bowling league meets Thursday mornings, 9:15 a.m., at Sheridan Lanes, 31st & Sheridan. Part of the money paid by each member of the League is donated to PTA activities designated by each member of the league. Funds from 2005-2006 were given to seven different PTA groups. In the past, money has also been designated for Graduation Celebration and the High School Band.

Anyone interested may join us for the upcoming season beginning August 24. Come join the fun, meet new friends and help your school! We look forward to seeing you in August. For more information please call Willa Stoltz, 459-5218.
