Tumblin' Tigers Gymnastics

Tumblin' Tigers is a mobile gymnastics organization dedicated to providing the highest quality gymnastics instruction in a safe and enjoyable environment. We work to improve a child's self-esteem, strength, coordination, balance, spatial awareness, and motor skills, all while developing their basic gymnastics skill.

Class is set up in a circuit of stations, which encourages constant movement, and allows gymnasts to learn at their own pace. Stations can be modified to allow individualized training for each student.

Skills are taught by progression, which means success in every class!

Gymnasts will improve their skill on the single rail bar, balance beams, tumbling mats, vaulting techniques and MORE!

New and exciting themes introduced each month!

For more information and to register, visit our website at www.TumblinTigersOK.com and/or contact Kim Jennings at Union Community Education.

Tuition cost is $50/month.
