### **Kelly Brassfield** **Enrollment Director**

Kelly Brassfield joined Union Public Schools in 2006 after working in Tulsa and Muskogee Public Schools. During his tenure, he served as an Assistant Principal, Special Education Teacher, Math Coach, 21st Century Grant Director, School Reform Project Director, and a Positive Behavior Support Specialist. Kelly has teaching experience in both elementary and high school. In addition, he has written many successful grants and has served as a grant evaluator for both state and private foundations.

His education includes a double Bachelor's degree in Psychology and Elementary Education with a Master's degree in School Administration. He worked as an Assistant Principal for Union for seven years. In addition he served students as the Director of Union/Carrera Prevention Program. This is a joint effort with the Children's Aid Society program dedicated to the science of helping students understand and choose healthy lifestyles. He was named IT Program Director in 2013 and now serves the district as the Enrollment Director and Student Information System Administrator.

Kelly and his wife, Jean, have four children. When not serving students, he enjoys photography and spending time with his family.
