Sherri Fair
Associate Director of Federal Programs

Sherri Fair is a native of northeastern Oklahoma. She is a graduate of Pryor High School with a bachelor's degree from Southwest Texas State University and a master’s degree from Northeastern Oklahoma State University. Fair began her teaching career with Union Public Schools in 1994 at Roy Clark Elementary.

Fair began her teaching career at Roy Clark Elementary in 1994 teaching fifth grade. She was the principal at Boevers Elementary for eight years after serving as assistant principal at Briarglen Elementary for one year. She served as Director of Student Data and Assessment for five years. In each role, she has been actively involved in local and state committees and leadership roles.

Fair is a member of the Oklahoma Association of School Administrators. She received the 2009-2010 District Administrator of the Year Award. Fair believes high expectations and an excellent staff result in high levels of learning for every student.

Fair is married with two children, who are both Union graduates. She enjoys spending time fishing with her family, riding roller coasters, and being outdoors. She is also an avid sports fan attending Union sporting events and college events.
