

'Ice Routes' are used when the weather is such that buses should not attempt to traverse hilly areas. For the Union School District, ice routes are only used in the area between 76th St S and 91st St S and Yale Ave and Sheridan Rd.

When Union Schools are on Ice Routes, the buses in this area will be stopping only at the locations indicated on this map. Students may use whatever stop is most convenient for them under these bad weather conditions. Stop times will be as close to the posted times as possible, however, delays are to be expected.

PLEASE NOTE: the fact that Union is operating its 'Ice Routes' **WILL NOT NECESSARILY** be announced in the media. You will be notified via the district's automated parent notification system on days when Union is operating 'Ice Routes.' It is, therefore, crucial that you keep your contact information up-to-date. If you have changed your primary telephone number, please notify our enrollment center at 918-357-6153.
